# VASRAM VISLAVATH

## PYTHON DEVELOPER

Miyapur, Hyderabad | vasramvislavath@outlook.com | https://vasramvislavath.github.io

#### **SUMMARY**

Enthusiastic Python Developer with hands-on experience in Python programming, data analysis, and project development. Skilled in Pandas, Matplotlib, and building efficient applications with clean, scalable code. Completed an internship at Cognifyz Technologies as a Python Developer, gaining practical exposure to real-world problem solving. Passionate about Al/ML, automation, and continuous learning to deliver innovative software solutions.

## TECHNICAL SKILLS

Python, C HTML, CSS, JavaScript (Basics) Pandas, Matplotlib, NumPy

MySQL, SQLite (Basics)

Git, GitHub, VS Code, Jupyter Notebook

Core Concepts
OOP, Data Analysis, File Handling,

**Problem Solving** 

Areas of Interest Artificial Intelligence, Machine Learning, Automation

## PROFESSIONAL EXPERIENCE

- Python Developer ,Cognifyz Technology
   Mar 2025 Apr 2025
- Developed and optimized Python programs to solve real-world problems.
- Worked on projects involving data analysis, automation, and file handling using Python.
- Utilized libraries like Pandas, NumPy, and Matplotlib for data manipulation and visualization.
- Gained hands-on experience in debugging, problem-solving, and clean code practices.
- Collaborated with the team to deliver tasks on time, improving project efficiency and quality.

#### Web Technologist, Path Creaters

Oct 2024 - Mar 2025

- Built responsive and user-friendly websites using HTML, CSS, and JavaScript, ensuring performance and accessibility.
- Applied UI/UX principles and collaborated using Git/GitHub for efficient project development.

## **EDUCATION**

#### **Intermediate Education**

Jun 2022 - May 2024

Sidhartha College Of Intermediate

- Major in Mathamatics And Science.
- Thesis on "Mathematics and Science with emphasis on Analytical Thinking and Problem-Solving."

### **Bachelor of Technology Engineering**

Sep 2024 - Jul 2028

**Engineering College** 

• Relevant coursework in Electronic Devices & Circuits, Digital Electronics, and Communication Systems, with additional focus on Programming, Data Structures, and Software Development.

#### ADDITIONAL INFORMATION

- Languages: English, Hindi, Telugu.
- **Certifications:** Python for Everybody (Coursera), Data Analysis with Python (IBM), Git & GitHub (Coursera), Machine Learning with Python (IBM).
- Awards/Activities: Python Developer Internship at Cognifyz, built projects (Library Management System, Data Analysis Dashboards), active in coding challenges and hackathons.
